MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only.
2. Michael Strauss of the Senate Interior Committee staff was furnished with 4 copies of your speech. Strauss was the deputy secretary of Interior when Harold Ickes was secretary. In asking for copies of your speech he told me that it had reached and expressed conclusions that a subcommittee, looking into Russian research developments was just about to reach. He said that as a result your speech will be quoted and handled very favorably.
